MEMORANDUM FOR: ADD/A - I&S
Personnel Director

SUBJECT : Deferment of Security Clearance Action

1. It has come to my attention that in some instances personnel clearance actions have been deferred on the basis that the time involved to clear a specific case would provide for the clearance of two or more cases presenting less difficult clearance aspects.

2. There is no objection to such action, provided that prior determination is made by the Personnel Director that:

a. The operational Office concerned definitely desires postponement.

b. Postponement will not create an embarrassing situation for the Agency.
